In cooperation with:

Dutch research school for
Information and Knowledge Systems

How to get to Erasmus University / Woudestein campus

Travelling by train or by bus

- From Rotterdam Central Station.
- Tram: number 1 in the direction of De Esch, stop Honingerdijk, or tram number 7, direction and stop Burgemeester Oudlaan.
- Metro: get off at Beurs and walk to the Calandlijn (you stay underground). Then take the metro eastward (direction Capelsebrug, Ommoord or Nesselande), stop Kralingse Zoom. From here it is a five minute walk to the university.

Travelling by car

The Woudestein campus is situated very near the Van Brienoordbrug ('brug' = bridge). The Van Brienoordbrug is crossed by the A16 motorway. This is where you have to get off the A16.

- If you come from the south (A16, direction Breda and Antwerp): keep following the signs Den Haag until you see the signs Capelle a/d IJssel and Rotterdam Centrum. Keep following the direction Rotterdam Centrum and you will see the direction to the university.
- If you come from the north (A13): keep following the direction Dordrecht/A16 until you see the sign Capelle a/d IJssel and Rotterdam Centrum. Keep following the direction Rotterdam Centrum and automatically you will see the direction of the university.
- If you come from the east (A12/A20): same route as coming from the north (Dordrecht/A16 and Rotterdam Centrum).
